Re: REDACTED — FOR PUBLIC INSPECTION (HIGHLY CONFIDENTIAL ENCLOSURE OMITTED)

Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25, RM 10593

Dear Ms. Dortch and Mr. Sacks:

Attached is the response of Sprint Nextel Corp. ("Sprint") to the Bureau's voluntary data request in this proceeding. Please note that all information on the enclosed CD is Highly Confidential Information subject to the Commission's Second Protective Order in this proceeding. The information on the enclosed CD constitutes highly confidential and commercially sensitive information, the disclosure of which could place Sprint at a significant competitive disadvantage. The information pertains to the company's existing and future business plans and strategies. If another party were to obtain such information, it would likely be able to exploit the information to gain a competitive advantage over the submitting party. The highly confidential nature of this type of information is discussed in greater detail in the December 6, 2010 letter of BT Americas Inc., Sprint, T-Mobile USA, and tw telecom in this docket.²

¹ See Data Requested in Special Access NPRM, WC Docket No. 05-25, RM-10593, Public Notice, DA 10-2073 (rel. Oct. 28, 2010); Clarification of Data Requested in Special Access NPRM, WC Docket No. 05-25, RM-10593, Public Notice, DA 10-2413 (rel. Dec. 23, 2010).

² Letter from BT Americas Inc., Sprint Nextel Corp., T-Mobile USA, Inc., and tw telecom inc., to Sharon Gillett, Chief, Wireline Competition Bureau, WC Docket No. 05-25 (Dec. 6, 2010).

USTelecom has asserted that the Bureau's request for data as of December 31, 2009 would result in the Commission having data that was "more than a year old." While Sprint does not believe that data that is a year old is necessarily too old to serve as the basis for analysis of the special access market, the data on the enclosed CDs was extracted from Sprint's databases on November 5, 2010. Sprint believes that the data has not changed substantially, if at all, since then. This very recent data should ensure that the Commission has up-to-date data for its analysis well into the future.

As required by the Protective Orders, we are hand delivering one unredacted copy of this filing to the Secretary's Office and two copies to Marvin Sacks. A copy of this letter (but without the Highly Confidential CD) is being filed publicly under separate cover.

Respectfully submitted,

Val Myin
